Industry 4.0 affects innovation activities of companies throughout Europe to a dynamically increasing extent. Researchers claim that this recent phenomenon is not simply about the continuously growing

#### SMARTPROV - Smart regional development to provide public goods

**Submitted by:** Christoph Maier, 11/01/2017

The maintenance and reconstruction of natural and cultural capital depends on the production of public

# Check approved projects

The screenshot shows the 'Discover Projects' page on the Interreg Europe website. At the top, there is a navigation bar with the Interreg Europe logo and the European Union flag. Below the navigation bar, there are links for 'About us', 'Projects', 'Policy learning platform', 'News and events', 'In my country', 'Library', 'Help', and 'Contact us'. The main content area features a large heading 'Discover Projects' and a sub-heading 'Enter the world of interregional cooperation projects. Explore the policy learning and change taking place in each of the four themes.' Below this, there is a paragraph explaining that the results will take users to individual project websites, maintained and updated by the project partnership directly. A note states that a full list of 64 projects to export in CSV is available at the end of the page. At the bottom, there are four hexagonal icons representing different themes: 'Research and innovation' (21 projects), 'SME competitiveness' (17 projects), 'Low-carbon economy' (15 projects), and 'Environment and resource efficiency' (11 projects). The text 'Featured Project' is visible at the bottom of the page.

**Discover Projects**

Enter the world of interregional cooperation projects. Explore the policy learning and change taking place in each of the four themes.

The results will take you to individual project websites, maintained and updated by the project partnership directly. You can discover the policies each partner is working on, find out more about the partnership, follow the evolution of the exchange of experience and keep up with project news and events.

You can find a full list of the 64 projects to export in CSV at the end of this page.

Theme	Number of Projects
Research and innovation	21
SME competitiveness	17
Low-carbon economy	15
Environment and resource efficiency	11

**Featured Project**

## Letter of support\* from the relevant organisation responsible for policy

For Structural Funds programme (Cooperation programmes): 4 country\* pages on the programme

Project acronym  
Project title  
Name of the signing organisation (department if relevant)  
Name of the signing organisation

### Project partner declaration\*

Project acronym	
Project title	
Name of the partner organisation (original)	
Name of the partner organisation (English)	
Partner number	
Partner contribution (EUR)	

In the event of approval of the above-mentioned project applying to the Interreg Europe programme, the indicated project partner:

1. Confirms fulfilling the criterion of a public body or a body governed by public law or private non-profit body as defined in the programme manual.
2. Commits itself to the project and the activities laid down in the application form, and intends to provide the above-indicated amount as contribution to the project's budget.
3. Is aware of the programme rules on reimbursement and non-existence of advance payment and confirms the availability of own resources for pre-financing the activities.
4. Is aware of the programme rules on state aid, horizontal principles, public procurement, publicity and information and will act accordingly.
5. Declares that it is not under bankruptcy proceedings, bears full legal capacity and is financially reliable, and that its foundation and activities are in line with the respective national legislation.
6. Confirms that no expenditure related to the above-mentioned project has been, is or will be funded by any other EU-funded programme, except for partners that do not receive funding directly from the Interreg Europe programme.
7. Declares to accept the obligations as a partner deriving from the subsidy contract, which will be signed by the lead partner of the project after the approval, as well as the project partnership agreement which will be concluded between all partners participating in the project.

Name of signatory	
Position of signatory	
Date	
Signature and stamp of partner organisation (if exists)
