DEBUTING Meeting in Gdańsk

The 6th interregional DEBUTING meeting took place 12-13 June, this time hosted in Gdańsk by our partner Pomorskie Voivodeship.

“The DEBUTING Project is not about building roads or new factories. We do not create new scenarios for the development of top trends in the world. This project is about creating competitive companies in industrialized economies and satisfied employees. Employees that are working in an environment full of respect and equal opportunities, regardless of where they come from, who they are and what their roots are ” says Karolina Lipińska, Innovation Architect at the Office of the Marshal of the Pomorskie Voivodeship.

Quick Guide to Inclusive and Gender Aware Communication

Watch the video to learn more!

The past years inclusiveness in communication has been discussed more. But how to do inclusive communication in practice? Tomas Gunnarsson, also known as the Gender Photographer, gives simple guidance on how to improve the inclusiveness and gender awareness of communication. Gunnarsson's lecture was part of the 3rd Thematic Workshop organized as part of the DEBUTING project by Karlstad University.
