

Dear Mr. Claudio,

I hope this email finds you well.

My name is Abdallah ABDUL WAHAB , and I represent the Port of Tripoli (OEPT) based in Lebanon.

We are interested in participating in the upcoming Interreg NEXT MED Programme, Call for green transition projects and are currently looking for suitable **lead applicants and project partners** to collaborate with.

We are particularly interested in projects related to the following Specific Objectives:

1.1 Research and innovation capacities, uptake of advanced technologies,

2.1 Energy efficiency and green gas house emissions reduction,

2.2 Climate change adaptation, and disaster risk prevention, resilience, taking into account ecosystem based approaches,

2.3: Promoting access to water and sustainable water management,

2.4: Promoting the transition to a circular and resource efficient economy

We believe our expertise in the following fields could add value to a consortium:

- Conducting an Environmental Impact assessment (EIA) for the future projects
- Conducting training programs
- Set up a an emergency contingency plan
- Implementing a Risk assessment & HSE guidelines
- Preparation for international Certifications: ISO 14001 Environmental Management System (EMS) & OHSAS 1800, Occupational Health and Safety Assessment.

Would you be able to assist us in identifying potential **lead applicants or partners** from **Italy** who might be looking for collaborators? If there are any **networking events, partner search platforms, or matchmaking opportunities**, we would be very interested in joining.

N.B. The Port of Tripoli Profile is registered on the program's #MEDCONNECT platform .

Thank you in advance for your guidance. I look forward to your response.

Best regards,  
Abdallah ABDUL WAHAB
